17	Mursi	223

Group 1

Group 2

Group 3

Group 4

Group 5

What Groups should discuss:

- 1) What is Dowie's argument or point in this chapter?
- 2) Are there any relevant terms that should be defined? If so, prepare a definition for the class.
3. Can you relate this chapter to anything else we have studied in this class? To anything you have studied in another class?
