

Group Discussions of Fieldwork

- ! What are the positive aspects of your research (things you've learned, people you've met, experiences you've had)?

- ! What are the biggest problems and worries that you are having in your research?
 - Can you think of ways to resolve these?
 - Are there areas in which you need more guidance?

- ! Has your research changed from that which you originally proposed? How and why?

- ! Do you see patterns and themes emerging from your fieldnotes and interviews?
 - Are you getting ideas on how to code your notes?
 - Are you beginning to develop a mental vision of how you will organize your paper?

- ! What goals do you have for the rest of your research—can you make a prioritized list of things you need to do?
