

# Vilnius University Workshop in Experimental Economics

## January 3-5 Vilnius, Lithuania

*Conducted by*

[Prof. Bart J. Wilson](#) (Chapman University)  
[Asst. Prof. Rimvydas Baltaduonis](#) (Gettysburg College)  
Jeffrey M. Kirchner (Chapman University)

**Where:** Vilnius University, Faculty of Economics, Saulėtekio al. 9, block II, Room 310, Vilnius, Lithuania

**When:** 8:00-17:00 (Monday, Tuesday, Wednesday)

**The purpose** of the workshop is to provide an introduction to laboratory methods in economics. The workshop will present experimental techniques as an alternative approach to economics research and teaching. In each regular session, the group will participate in an experiment, followed by a presentation from one of the workshop faculty on results that are related to the experiment. Participants will have the opportunity to interact with the faculty throughout the workshop.
